Members' Corner: Paul Jollay

Have you noticed the beautiful flowers outside The Crumley House this summer? *That's because of someone with a green thumb...* Have you seen the American and Tennessee State flags properly displayed outside the front of The Crumley House recently? *That's because of someone who exemplifies respect and courage.* Meet Paul Jollay. Paul is a member at The Crumley House who maintains the flowers and insures the flags fly high each day! Paul served six years in the Army as a Sergeant; he was a Food Service Specialist. His first tour was Fort Kitzen, Germany, 3rd Infantry Division 10th Engineer Combat Battalion. Paul served the remaining two years as 108th Quarter Master at Fort Rucker, Alabama. He has two sons—Chris and Josh. Thank you, Sergeant Paul Jollay for adding such a special caring touch to The Crumley House!

Remembering Trish Garland

Deepest sympathy is extended to the family of Patricia Garland who passed away, October 6th, 2012 at Christian Care Center of Johnson City. Trish was very active and outgoing throughout the 13 years she attended The Crumley House

Adult Day Care Program. She will truly be missed by the members and staff of The Crumley House.

The Crumley House is looking for volunteers!
There is a constant need for individuals to help with one-on-one activities. Volunteers can help tutor, chaperon outings, plan extra activities, or "just hang out to talk". The members are always excited to meet new people and share their stories. If you are interested in volunteering, please contact Wayne Hunigan at (423) 257-3644, Extension 5.
